PROGETTO DEFINITIVO

Ufficio Tecnico Servizio Viabilità
Ing. Giuseppe LAURETI
Ing. Filippo LANZI

Elaborazione dati cartografici:
Dott. Ivan Ciarma

Indagini geologiche:
Geol. Costantino Berardini

Data: Febbraio 2014 **scala: 1:50**

RESPONSABILE DEL PROCEDIMENTO: Ing. Ivano Pignoloni

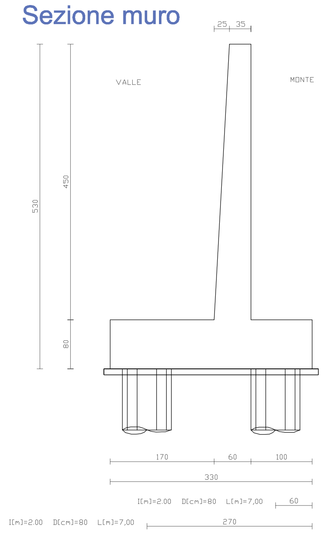
ELABORATO:

PARTICOLARI OPERE ARTE

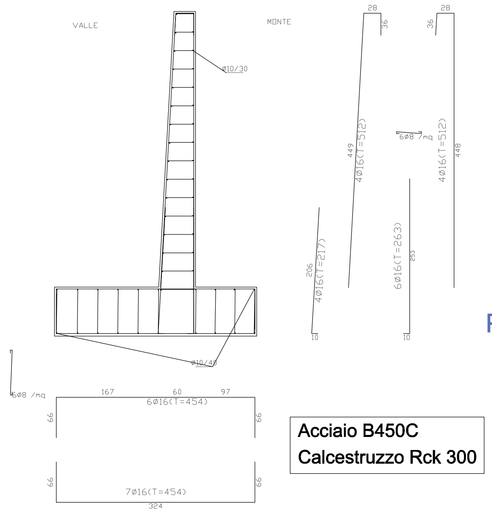
OPERE IN C.A. **D7.4**

MURO A

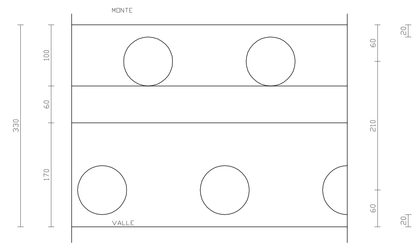
Sezione muro



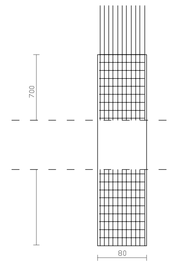
Armatura muro



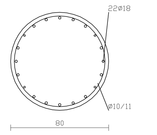
Particolare pianta



Armatura palo



Particolare pali



Acciaio B450C
Calcestruzzo Rck 300

MURO B

Sezione muro

Armatura muro

Particolare pianta

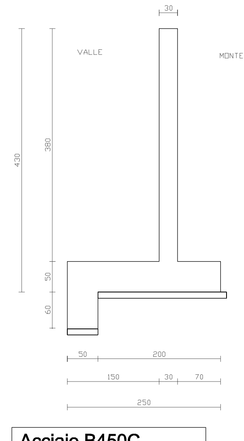
Armatura palo

Particolare pali

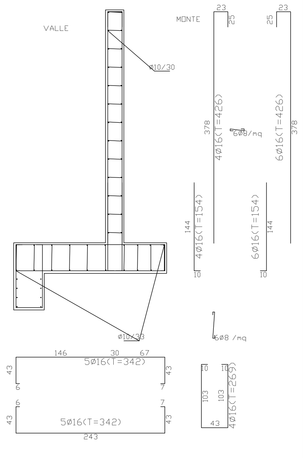
Acciaio B450C
Calcestruzzo Rck 300

MURO C

Sezione muro



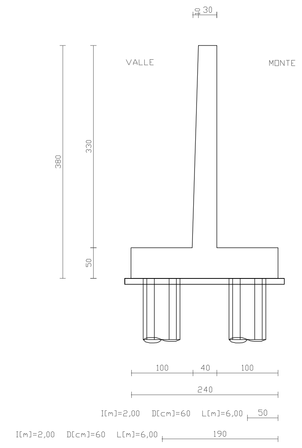
Armatura muro



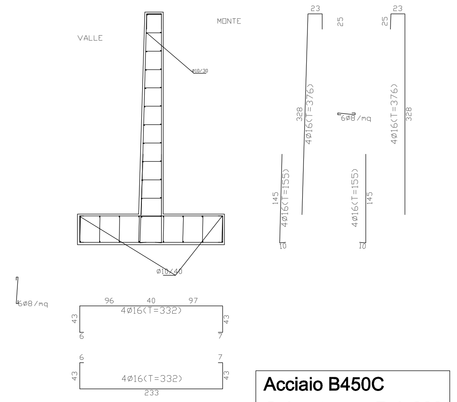
Acciaio B450C
Calcestruzzo Rck 300

MURO D

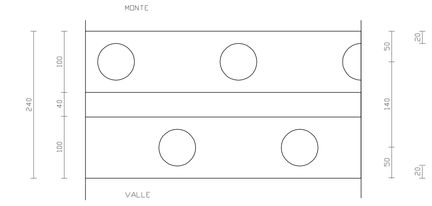
Sezione muro



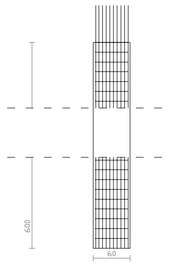
Armatura muro



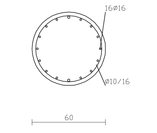
Particolare pianta



Armatura palo



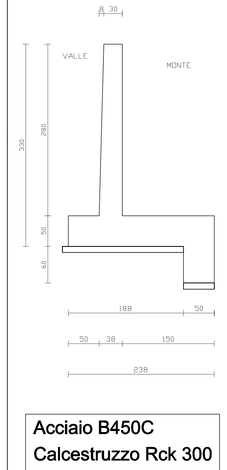
Particolare pali



Acciaio B450C
Calcestruzzo Rck 300

MURO E

Sezione muro



Armatura muro
